This 41,885m² building plot in Jumilla is home to a productive vineyard with Monastrell grapes yielding 25,000 kg. The property includes two action points for irrigation water, ensuring the vineyard's continued success. You have the option to build a single-level home up to 250m² or a two-level home totaling 400m² (200m² per level). This plot offers a unique opportunity to create a cust...(Ask for More Details!)
