his country house is located between La Nucía and Altea, just a 10-minute drive from the center of Altea. The plot is mostly flat and covers 4,000 m2. It is currently unused, except for the areas where the buildings are located. The property offers open views of the sea, the mountains, and Altea. At the entrance, there are two covered parking spaces and a water reservoir for irrigation. Th...(Ask for More Details!)
